SAFE HOME PARENT PLEDGE

In response to the escalating use and acceptability of alcohol and drugs (along with the associated problems and violence generated by their use/abuse), we have formed a network of concerned parents at your school. Our intent is to build a foundation of communication and cooperation among parents who will provide responsible supervision at home gatherings and parties.

To facilitate this objective, "safe home" parents are designated in the school office. School administrators encourage you to join the "Safe Home" program by agreeing to the conditions listed below. Since widespread support is imperative to its success, it is our hope that you choose to participate. We encourage you to share this pledge with your high school age children. Safe from Drugs, Safe from Alcohol, Safe for Parties.

- I will NOT allow unsupervised parties or gatherings in my home.
- I will NOT serve, nor will I allow the use of, alcohol by anyone under the legal drinking age while they are in my home or under my supervision.
- I will NOT allow the use of illegal drugs by anyone while they are in my home or under my supervision.
- I WILL welcome calls for verification of any event or gathering at my home.
- I COMMIT to this pledge for the duration of my student's enrollment at a Kansas City/St. Joseph Diocesan High School.
